25X1

2. Comment. The cantonment east of Grosskuesnau has been vacant since October 1953. The motor vehicles observed there belong to the 36th Pan Bridge Regt of the COPG from Magdeburg. Another report also indicated that advance parties have been located in the regimental training area southeast of Rosslau. [redacted]

4. Comment. Motor vehicle [redacted] probably belongs to the 6th Gds AAA Div (US) elements of which were loaded in Chemnitz on 2 April. However, the shipment involved medium AAA units. It is possible that the train, which probably went to Mustraw, is identical with that in the present report.

25X1

5. Comment. Return of units of the IV Arty Corps and Fourth Gds Mech Army, upon participation in exercises of the 10th Gds Tank Div in the Baruth-Jueterbog-Treuenbrietzen area. According to [redacted] the following trains are identical:
